

Name: _____

Activity 4.1 UP – Travel and transport alternatives

To help the environment, save money and increase our fitness we can use other modes of travel. Brainstorm alternative modes of travel to the motor car and list the advantages and when you would be most likely to use them.

Alternative mode of travel	Advantages	When would we use it
1. walking	helps to keep us fit	going to school walking to the park
2.		
3.		
4.		
5.
